RE: Vinyl Siding Institute Certified Installer Program

Dear Mr. Aikey:

Congratulations, you have successfully met the requirements of the Vinyl Siding Institute Certified Installer Program. You have been added to a growing list of vinyl siding installers. Enclosed are your Certified Installer Certificate and photo ID card. Display them proudly.

Now that you are a Vinyl Siding Institute Certified Installer, Architectural Testing, Inc. will help you announce your certification and promote your business by posting your name, company, city, state, zip code, phone number and e-mail address when applicable on the Vinyl Siding Institute Certified Installer website at [www.vinylsiding.org](http://www.vinylsiding.org).

Please take a moment to review the personal information listed below for accuracy. Make sure you notify our office if your badge is lost or there are changes to this information now or in the future. You will be contacted with any program developments and information about renewal of your certification in the future.

Again, congratulations and good luck.

Sincerely,  
ARCHITECTURAL TESTING, INC.
